\* The availability of toll-free access numbers to the GRIC Internet roaming network in the 48 contiguous United States. These toll-free numbers are immediately available to all GRIC Customers and Alliance Members. In order to access these numbers directly, you would select "United States" in the Country field and then type in "888" in the Area/City Code field. The toll-free numbers are available only in the contiguous United States (excluding Alaska and Hawaii). Each toll-free access listing will include the notation "surcharge applies" so that your customers will be clear that use of this access may be subject to higher fees.

When you want to use this service while traveling, you can dial the local access number provided in the Phonebook (<http://pbs.gric.com/servlet/html/popfinder.html>) or the GRIC Dialer™. There is no need to pay expensive IDD charges! Just use your E-mail address as your user name to access to the Internet.

#### Steps to be taken before start using the Internet Roaming Service:

1. Fill in the application form (<http://www.hkabc.net/>) and return to ABC NET
2. Download the latest GRIC Dial™ (<http://www.gric.com/download/download.html>) before you travel. Read the setup guide and configure GRIC Dial™ to enable your system ready for the roaming. or, you can configure to better suit your running of your computer if you are an experienced user of the Internet.
3. Use your E-mail address, i.e. [login.ID@hkabc.net](mailto:login.ID@hkabc.net), as your user name and your password to use our GRIC Roaming Service.
